PROGRAMS

At Pencils of Promise, we focus on building strong structures and sustainable education programs. By forming long-lasting, collaborative relationships with communities, we increase access to quality education and positively impact students and parents in high-need communities throughout Ghana, Guatemala, Nicaragua and Laos.

SCHOOL BUILDS

We build quality schools to keep kids safe, sound and in pursuit of their promise.

TEACHER TRAINING

An effective teacher means that our students are receiving quality education.

SCHOLARSHIPS

A secondary school scholarship gives students the resources they need for a full year of school.

WASH

We teach kids about WATER, SANITATION and HYGIENE to keep them healthy, happy and in school.

CORPORATE PARTNERSHIPS

We Love Our Partners

Consumers are looking for transparency from both companies and nonprofits. We have the opportunity to collaborate on a desired impact, share that goal with our stakeholders, and close the loop by sharing rich media of the change we've created together.

Barnes & Noble joined our Schools4All campaign. They matched donations to the campaign over the holiday season to encourage student participation and awarded domestic schools with NOOKs for their libraries.

Chegg and PoP know that young people will shape our future. An educated and empowered generation means a brighter tomorrow for all. Together, we unlocked the promise of students around the world.

Motley Fool set out to fund 2 schools. They pledged \$25,000 up front and launched a fundraiser soliciting funds from employees & community members. The Motley Fool community was so engaged and committed to their fundraiser that they ended up contributing enough funds for more than 5 schools with PoP.

OUR THIRD GALA

One Night's Impact

We hosted our third annual gala in NYC on October 24th and raised over \$1.4 million in one night. We honored our closest supporters, including international education icon Malala Yousafzai, Senator Cory Booker and the Cahill family.
